Adding a New Friend

Thomas Claudius Huber

MICROSOFT MVP (WINDOWS DEVELOPMENT)

@thomasclaudiush   www.thomasclaudiushuber.com

Module Outline

Introduce the AddCommand in the MainViewModel

Create a new Friend in the FriendEditViewModel

Refresh the navigation after saving the new Friend

The Plan for the AddFriendCommand

Main ViewModel

FriendEdit ViewModel

Create

Call **Load** without friend-Id

Load

FriendEdit ViewModels

Add

SelectedFriendEdit ViewModel

Assign

Summary

Test Driven Development allowed us to implement the MainViewModel upfront

With a Unit Test we could reproduce the Exception we got in the NavigationViewModel
